

12 July 2023

Dear Healthcare Professional

URGENT MEDICINE RECALL (CLASS III Type C)

Dr. Reddy's Laboratories (Pty) Ltd in collaboration with the South African Health Product Regulatory Authority (SAHPRA), is recalling the below mentioned batch of Dopaquel 300mg 60's with immediate effect as a precautionary measure.

The recall is classified as a **Class III, Type C to reach wholesalers only**, as agreed with the South African Health Product Regulatory Authority (SAHPRA).

Reason for Recall: A complaint was received on the below listed batch with a foreign plastic particle embedded in a broken tablet.

Product Name	Reg No	Batch No	Expiry date
Dopaquel 300mg (60)'s Pack (size)	43/2.6.5/0432	C2300635	11/2025

A medical risk assessment has been completed and concluded that it is unlikely for the patient to have any serious adverse effects who may be administering the product. The risk associated is determined to be low although as a precautionary measure a product recall is initiated.

Please immediately quarantine any units of the above-mentioned batch that you have in your possession and return via your normal distribution channel for full credit.

We apologize for any inconvenience and appreciate your assistance in this matter.

Should you have any queries, please contact:

Dr Reddy's Laboratories (Pty) Ltd
